Subject: FW: TSCA Public Meetings on August 9 and 10

Attachments: TSCA Public Mtg FRN Aug 9-10 2016.pdf

HHRA PL and TL

Because the TSCA amendments will be relying on risk assessment, you may be interested in these upcoming meetings/webinars to familiarize yourself.

Those working in Projects 1, 4, 5, 6, and 8 will be especially interested but of course the new process in general it is something to know about regarding chemical risk assessment!

Annie

Annie M. Jarabek | Deputy Director, Human Health Risk Assessment (HHRA) research program

Senior Toxicologist | National Center for Environmental Assessment (NCEA)

Office of Research and Development | U.S. EPA

Subject: TSCA Public Meetings on August 9 and 10

All –

Attached is the FRN for the upcoming public meetings/webinars on “Processes for Risk Evaluation and Chemical Prioritization for Risk Evaluations under the Amended Toxic Substances Control Act.” You can also find information

about the meetings on the following website: <https://www.epa.gov/assessing-and-managing-chemicals-under-tsca/meetings-and-webinars-amended-toxic-substances-control>

Please note that the registration deadline is August 4. Space in the Horizon Ballroom, Reagan Bldg. is filling up quickly, but there is plenty of capacity for the webinars.

The event will begin at 9:30 a.m. on August 9 and 10. Agendas are expected to be posted Friday on the EPA and registration websites. The general format for the meetings is as follows:

- Welcome and meeting process overview
- Presentations on risk evaluation and chemical prioritization by EPA as starting points for the two meetings, respectively, going until around 11:00
- Public comments may start before lunch and will go until the end.

Fred
